Back by popular demand, Randolph's at Warwick Denver Hotel is launching its Summer 2009 Wine Tasting series. Compare a classic French champagne to an Italian sparkling wine. Savor California's finest with wines from both Sonoma and the Napa Valley. Have your Cakebread and exotic desert wines too. Enjoy all this, plus a jazz quartet, tasty appetizers, and a team of food and wine experts at your service, all served under the sun and stars on the wrap-around patio at Randolph's Restaurant and Bar. Guests will enjoy a sampling of 8-12 different fine wines from Italy, France, Germany, Canada, Portugal and the U.S., including sparkling wines, white wines, red wines, port and icewine. Wineries include Mondavi, Cakebread, Rodney Strong and Taittinger. Reservations required.
